**We are slowly phasing back into indoor group activities. However, due to social distancing restrictions all events are limited to the number of residents that can attend. If you are interested in an activity, check the sign-up book for availability. NOTE: Some events will not be in the sign-up book and are on a first come, first served basis. Please keep in mind that the Activity Calendar could change at any given moment, so check your mailboxes daily. If you really want to be “in the know”, take the time to read the screen. The screen is our main source of communication and you will miss a lot if you don’t read it. There is a screen on every floor by the elevators for your convenience.**
