We hope to resume our activities after the whole building has been given their second vaccine. Once that happens, please check the Activity Screens and sign-up for the activities you would like to be a part of. Sign-up sheets for March will be put in the sign-up book when we can group. NOTE: Some events will not be in the sign-up book and are on a first come, first served basis. Please keep in mind that the Activity Calendar could change at any given moment, so check your mailboxes daily. If you really want to be "In the know", take the time to read the screen. The screen is our main source of communication and you will miss a lot if you don't read it. There is a screen on every floor by the elevators for your convenience. Thank you. Activities Department
